

Dear NJQHA members and NJYQHA members:

I would like to say Thank You for the honorable award you presented to me the other evening at the Banquet. I was so honored and surprised that I was at a total loss for words.

To me, our association is not just a gathering of members in a organization. It is a special group of people that I consider a family. I hope 2012 will be a successful and prosperous year.

Good luck and success and health to all the members for 2012.

Again Thank you

Flossie Ale
